Here's

What's Happening

Kendrick-Juliaetta and 7 Ridges Community News | kj7newsletter3@gmail.com

July/August 2022

Kendrick's First Flyover Tribute

What a thrill to have a World War II airplane do a flyover in tribute to the veterans of foreign wars! Not once, but twice. He buzzed the crowd going east above Kendrick and then buzzed them again going west. The timing was perfect as Bob Ouderkerken had just finished a prayer tribute and the VFW members were plac-

ing the wreaths at the newly renovated VFW Memorial, as Rachel Olson and Danyel Brown sang the *Star-Spangled Banner*.

We thank Gary Peters, Tyler Peters, and Bill Strange from Hanger180 for making this tribute possible. It was the highlight of the festival to see a plane descend from the cloudy skies and dip through Kendrick. Many people have remarked that it gave them goosebumps and made them teary-eyed.

Although it looked like it could rain any moment, we were spared. There was no liquid sunshine until later in the day when the events were finished.

PARADE RESULTS: Juliaetta Car Show and Blackberry Festival took home the Best of Theme prize. In the Business category, Humm Salon won 1st place and Idaho Community Credit Union took home 2nd place. The winner of the Horse category was Cody Heath. The KHS Cheerleaders took 1st prize in the Marching category. Best of the Automobile category was won by Mark Moran. In the Royalty category 1st prize went to the Wild Weippe Rodeo Royalty. 2nd place was awarded to Kendrick's Distinguished Young Women's float. Open class was won by KHS Class of 1962. Brian Loomis took 2nd place.

CORN HOLE TOURNAMENT: After competing with 12 other teams, 1st place went to John Marker and Drew Witt. Second place was awarded to the Barley Brothers, Blake Marker and Hud Horrocks. It was an excellent turn out with 14 teams. *Sharon Harris*

Blackberry Festival is Coming!

Blackberry Festival and Classic Car Show is coming! The JCIA has already started planning; vendors and t-shirt sponsors will be receiving applications soon. If you do not receive a form and would like to participate,

please contact any of the committee members or look for details on the Facebook page, Car Show/Blackberry Festival Juliaetta. Also, we would greatly appreciate any volunteers that would like to help with any events.

This year's event will be Sept. 10th, 2022, at the Juliaetta Centennial Park. The day starts early with breakfast starting about 6:30am. The family favorite events will be back. The dachshund races and the corn hole tournament will be back, as well as the many raffles and the Classic Car Show with music by "Backroad Jammers." Blackberries will flavor all kinds of homemade goodies. The JCIA will be renting 12' x 12' booths for \$20.00. If interested, please contact us soon. We do have accommodations for electricity to some of the booths. The car registrations are also \$20.00 and early registration is suggested but not required. Unfinished cars are welcome.

There will be lots to see and much to enjoy at this event either as a participant or a spectator, so mark your calendars and get ready to have a great day. See you there.

City of Juliaetta News

City of Kendrick News

Outdoor Burning

Burn permits are required after May 1 for all outdoor burning within city limits. There is no cost for permits, which can be obtained from City Hall or Fire Chief Mike McGee. As a reminder, you may only burn natural materials; no cardboard, garbage, demolition debris, lumber, plastics, oil, or hazardous waste may ever be burned.

Overgrown Vegetation

With the extremely wet spring we've had, weeds, lawns, and everything else is growing like, well, a weed! City Ordinance requires that weeds and grass must be kept at six inches or less in height. This includes slopes and hillsides on your property, even though it's harder to do. If you keep a vehicle or trailer parked on the public right of way, it's your responsibility to clear the vegetation around them, as City personnel can only mow so closely to obstructions.

City Council Meetings & Office Closures

Upcoming City Council meetings will be held on Tuesday, July 12 and Tuesday, August 9. These meetings begin at 7:00 pm. Agendas are posted in the window at City Hall the week before each meeting, as well as at cityofjuliaetta.com. The public is always welcome to attend. If you have an issue you would like to have added to the agenda, you must contact City Hall by noon the Wednesday before the meeting.

City Hall will be closed Monday, July 4 for Independence Day.

The swimming pool opened on June 14th.

This season, the city's focus is to offer free swim, lap swim and aerobics. The pool repairs were successful and with the help and support of our community through donations, in-kind labor, and long hours by our staff, we are open! With that said, there will be no swim lessons offered this season unfortunately as we do not have a certified swimming instructor. Next season we will have a swim instructor for lessons and are looking forward to being able to provide that service once again.

Pool Hours are Tuesday through Sunday, open from 1:00-5:00 for open swimming and Wednesday & Friday for night swim 7:00-9:00 pm. Aerobics Tuesday & Thursday from 5:00 pm to 5:45 pm. Lap swim Tuesday & Thursday 6:00-7:00 pm. Season passes available at the pool office during open swim times. Private pool parties will be booked based on availability of our schedule. We encourage everyone to come and look at our progress.

On July 1st, the Pool celebrated 75 years in existence. It was first dedicated in 1947 on July 1st, built by the community for our local veterans who returned from WWII. An evening celebration was held in their honor. A big thank you to Phil's Food City, Hill and Valley Garden Club, KJ Recreation District, Kendrick Grange, Kendrick Fire Department, and the Baker-Lind VFW 3913 Post, along with numerous volunteers who made the evening a wonderful event to attend.

The city celebrated Arbor Day on April 28th with the help of the KHS 7th and 8th graders. The city planted a maple tree at the RV dump station, a dogwood tree on Main Street, and marigolds in the barrels on Main Street.

For more city information, check our website at cityofkendrick.com

She's a Winner!

During the Kendrick Locust Blossom Festival, Haddie Webb, a 1st grader from Juliaetta, was interested in venturing a guess at the number of chocolates held in a jar. This was a 50/50 fundraising activity organized by Gayle Marek to benefit the Lenore Community Center.

Haddie said to her dad, "I'm a good guesser..." Well indeed she is, as she won the contest with a guess of 250, when the exact number was 255. Haddie shared in the proceeds of the contest, earning an award of 50 percent of the funds raised. Haddie is the daughter of Garret and Kim Webb, who are very proud of their daughter's success.

Congrats, Haddie!

Welcome Sarah Aurich, New Provider at Kendrick Clinic

The clinic is open four days a week, Monday through Thursday from 8:00 am to 5:00 pm to serve your medical needs. Sarah is happy to be in Kendrick to serve the entire family's medical needs. Call for an appointment at 208-289-3841.

Whether it is a wellness check, physical exam, or an immunization, she can take care of you. She offers chronic and acute disease management, screenings, and of course treatment for illness and minor cuts and injuries.

She comes to us with ten years of experience.

Sharon Harris

North Central Idaho Properties Celebrates Year One!

In May of 2021, Bob Stout and Brenda Halen saw the need for a real estate office in our small community. They joined forces to provide our growing area with great customer service and smooth real estate transactions.

North Central Idaho Properties was recognized in March for receiving 3 awards at the Professional Realty Services-Idaho Annual Awards Banquet. Bob Stout and Brenda Halen received the President's Circle Award for 50 or more closed sales each in 2021. Bob also received the America's Best Real Estate Professionals Award as the Top 1% Real Estate Professionals in America.

Bob Stout was raised on a farm and ranch just down the road near Uniontown, WA and Genesee, ID. He received his undergraduate and graduate degrees from the University of Idaho. He has been married to his wife, Sara, for 31 years and has three children. Bob enjoys living in Elk River, Idaho, and enjoys the great outdoors.

Brenda Halen grew up between Moscow and Genesee. She and her husband Mike bought an abandoned farmhouse on Big Bear Ridge and learned what building equity meant. Over the past 30 years on the ridge, they raised two sons and have enjoyed country living. She is an outdoor enthusiast, loves all the recreational opportunities our area has to offer, and has an eye for land and its potential.

In February 2022, North Central Idaho Properties welcomed a new agent, Kaia Cannon. Kaia was born and raised in Deary and graduated with her BA in marketing from the University of Idaho. She is family-oriented and enjoys being involved in the community. She can't imagine living anywhere else and loves the beauty and adventures Idaho has to offer.

The team at North Central Idaho Properties share the common goal of giving their clients the attention and care they deserve. Whether you are looking to sell, buy your dream home, land or next investment opportunity, we will guide you through the process and give you the individual attention you deserve!

It has been one year since the doors of North Central Idaho Properties opened here in Kendrick, Idaho, and we are thrilled to be a part of such a great community. Please stop by our office at 610 E Main St. where the team is happy and eager to assist you with your real estate needs.

Lions Club News

Lions Club members elected new officers for the coming year:

President – Jenny Gonzales

1st VP – Amber Brocke

2nd VP – Bill Warren

Secretary – Eric McDowell

Treasurer – Sharon Harris

Tail Twisters – Shari Pea and Doug Harris

Lion Tamer – Darrel Brocke

Membership Chair – Dave Klatt

Lion Darrel Brocke had another successful blood drive on June 23rd. Lives are saved because you donate.

Lion Eric McDowell is continuing to work on the installation of an electronic reader board for Kendrick.

The Lions Club presented two scholarships to graduating seniors. Congratulations to Erin Morgan and Marrison Anderson, this year's recipients. *Sharon Harris*

THE BOOK NOOK

Amy Harmon is an author who never disappoints. She is comfortable writing in any genre and her books are the "can't lay it down" type. I have read four of her books and would recommend each of them. ***What the Wind Knows*** is a story that takes place in Ireland's rising for independence.

From Sand and Ash is a beautiful story that takes place in World War II in Italy during the persecution of the Jews. Angelo chooses the priesthood in his beloved Catholic Church over his love for Eva, a Jewish girl. Read it to find out the outcome.

Where the Lost Wander is an intriguing story that takes place on a wagon train heading west the promise of a better life in California. A very good read.

As a fourth, I would recommend ***The Unknown Beloved***. It is a story that takes place near Chicago in the days of Elliot Ness. A very unusual story theme and a five-star rating.

Lastly, I would recommend reading ***My Name is Vittoria*** by Dafna Vitali Ben Bassak. It is the story of a Jewish Holocaust survivor.

Happy reading! *Sharon Harris*

Pie Booth was a Success

Thanks to many generous folks who donated pies, we had 52 pies to sell. We are grateful to the Latah political candidates that came bearing pies for our booth from the Moscow area. All in all, it was the most successful sale we have ever had. It all helps to keep the Community Center open for use

We are very thankful for our wonderful baker, Josie Moses of Juliaetta, who bakes wonderful sticky buns for us to sell with the morning coffee.

All in all, it was a successful day with Jan Patterson, Rose Norris, Sally Browning, and Lorie Glenn dishing out pie and treats to festival goers. *Sharon Harris*

Thank
You

New at J K Heritage Foundation

We are happy to announce a new copy of Tales Worth Remembering, Volume 5, is available for purchase for \$15.00 at Phil's Family Foods or Furry Tales in Kendrick. The latest volume contains chapters on the following topics: Tales of the Unexpected, Tales of Sorrow, Tales of Mischief and Murder, Tales of the Unwritten Law, and lastly Tales of Heroism and Achievement. It is also available from any JKHF member.

We have been working diligently installing the metal signs around this area that denote old schools and churches in the area. We have a tour booklet describing each site. It is available at Phil's and Furry Tales for just \$5.00. We have erected 40 signs to enhance the historical preservation of this area. *Sharon Harris*

Kendrick VFW News

The VFW presented a very moving opening exercise to launch the Locust Blossom festivities. The casket flag that honored Oscar Lind at his death in 1945 was used at the ceremony. A wreath was laid honoring him.

The Post is proud of the work that Gunner Bruce has done on updating the memorial. The new glass was installed the day before Locust Blossom. We are still soliciting donations for the memorial. The glass price put us over budget. We know we might be missing names in the memorial, so please let us know. We want all the veterans honored.

On Memorial Day, the VFW Post laid wreaths at Kendrick, Troy, Deary, Bovill, and Elk River, with a short ceremony at each location. They participated in Bugles Across America at 3pm.

Delbert Harris and crew did litter pick up on the Bear Ridge grade and we thank him for beautifying our area.

The Post hosted the Deary-Kendrick Prom again this year at the hall. They hosted the Kendrick Senior Sober Party there also. They comped the hall for both events.

The VFW has received a grant to upgrade the restrooms in the hall. That will be getting started in the next month or so. We are continuing improvements to the hall by upgrading the sound system as well.

The hall is available for rentals. The VFW has a large supply of medical equipment available to check out if you are in need. Please contact us.

Congratulations to Mr. Minden of Deary High School for receiving the VFW District 2 Teacher of the Year award. Post 3913 nominated him based on his outstanding performance as a teacher, and for his years of service in the Marines. *Sharon Harris*

Delbert Harris, Rick Glessner, Bob Ouderkerken, John Glassy, Darel Hazeltine, and Marvin Eveland.

New at the Museum

We recently received the donation of the globe from the streetlight you see in front of the Fraternal Temple in 1905. It has been stored in some of the City of Kendrick sheds.

We have also received the donation of an embossed Albert Moscop, Kendrick, Idaho medicine bottle from Karen Eggers of Bovill. These are both wonderful additions to our collections. We also received a donation of three KHS year books from Sarah King.

It is always fun to have someone stop by from out of town. Paula McKeever's son and his wife stopped in on Tuesday and were thrilled with the museum.

We had help with staffing the museum on Locust Blossom Day. Thanks so much to Sandra Kelley and Ron Meeuf from Latah County Historical Society for helping us out. *Sharon Harris*

Kendrick Dental News

Summer is finally here and we are so happy to see the sun shining!! ☀

(Hopefully we didn't speak too soon!) Summer is a great time to get that dental work done or come in for the first time. We continue to accept new patients and love seeing new faces in the office! If you are already a patient, thank you! Be sure to let us know how you like all the snazzy new pictures on the walls. We think it makes the space even more welcoming, but it's really the people like you who do that. Don't forget...we offer free athletic mouthguards for anyone at any time...think fall sports! Have a fun and safe summer from all of us at Kendrick Dental!

HILL & VALLEY GARDEN CLUB

Spring has been a busy time for the Garden Club members with volunteer opportunities. To celebrate Arbor Day this year, volunteers were each assigned to a Juliaetta Elementary School (JES) classroom to read a tree-related story and then conduct an art activity or discussion related to the book. The students seemed to enjoy the activities and the donated books.

The Annual Seed and Plant Exchange took place at the library on May 17th. Jeanne Ensley shared her recipe for compost and recycling ideas for art in the gardens. The seed box will be stocked and maintained at the library. The plant exchange will appear again next year in April or May.

The Garden Club planted flowers and mulched around the Kendrick signs at either end of the town as well as the new garden bed near the pool.

The flower show at Locust Blossom Festival was a success. JES once again sent their outstanding third grade vegetable gardens. Participants were entered into a drawing for a \$75.00 certificate. Brian Silflow was the winner. The People's Choice award went to first-time designer Ann Parks.

Elections were held for HVGC 2022-2024 officers. They are
President: Kay Roberts, V-President: Joanne Gertje, Secretary: Raina Weyen, and Treasurer: Sharon Harris.

At the end of June, HVGC will visit Melliflora Flower Farm, followed by Shelley Cannon's Garden and then the Pie Safe for lunch. Meetings will resume in September on the 4th Tuesday of the month.

Kathy Cassin

Pastor's Corner

HELP!

Our world has gone crazy. It would seem that our current leaders are helping it to be even crazier. God in His word has much to say about these times.

The prophet Ezekiel in his book has this to say, and I quote, "Then they shall know that I am the Lord, when I have laid the land most desolate because of all their abomination which they have committed. Also, thou son of man, the children of thy people still are talking against thee by the walls and in the doors of thy houses, and say one to another, everyone to his brother saying: Come, I pray you, and hear what is the word that cometh forth from the Lord. And they come unto thee as the people come, and they sit before thee as my people, and they hear thy words but they will not do them, for with their mouth they show much love but their hearts goeth after their covetousness. And, lo, thou art unto them as a lovely song of one that hath a pleasant voice, and can play well on an instrument: for they hear thy words, but they do them not and when it cometh to pass (lo it will come) then shall they know that a prophet has been among them."

Also the prophet Isaiah says this in chapter 29 Quoting. " Wherefore the Lord said; forasmuch as this people draw near to me with their mouth, and with their lips do honor me, but have removed their hearts far from me, and their fear toward me is taught by the precepts of men." Mathew 24; Romans 1; 2Timothy 3; also speak similar thoughts of the last days or the end times.

There is only one antidote for this time. The antidote is a personal relationship with the Lord Jesus Christ, but we have to meet Him at the foot of the cross where he died for our sins, where we have to say please forgive me of my sins. This is only possible through prayer. In his book James states, "The effectual fervent prayer will avail much" In the book of Revelations it tells us this will bring healing to the nations.

Charlie Scheline

Interim Pastor Lapwai Assembly of God

Leland Pioneer Community Church

If you have thought about coming to visit our church, we welcome you at any time. However, you may want to time your visit to correspond with the first Sunday of the month. What started as a "Cookie Hour" has morphed into a luncheon hour. Here are our kids lined up eating at the communion bar.

The outback "necessity" was torn down this month. The outhouse had stood back there for well over ninety years. It is impossible to guess how many people took a seat there to find relief over the years. I must admit, it does look better without it. Since I am such a stickler for historical preservation, it was hard to give the nod to Cuevis Winegeart and Vern Tietz, as they have been working on cleaning up the yard area.

We have a representative from Idaho Preservation Trust coming to look at the stained-glass windows at the church. Hopefully, they will be able to help us preserve them. *Sharon Harris*

Kendrick Assembly of God Church

Kendrick Assembly of God Church has officially installed a new Pastor. His name is Paul Beglund. He would love to meet you. He has a wonderful family and we are blessed to have them all here. Did you see the puppets in the Park on Locust Blossom? They attend Church also. Come join us and help make our community a better place.

The Church phone is now 208 289 3400. If you need prayers please let us know. We have Sunday school at 10: a.m. worship at 11:00 and children's program upstairs at 11:00. Since Paul likes food...we do potluck once a month. Quilting lessons take place on the last weekend of the month. Summer meetings are the last Sat. and Sun. from 2 to 5p.m. All are welcome.

Wendy Parks

Southwick Community Center

The Southwick Community Center would like to invite everyone to put Saturday October 1st on their calendar for our annual Fundraiser. It will be

"Octoberfest at Southwick", with Brauts, Salads and deserts. Beargrass once again will be providing music. There will be a silent auction during the event. More details to come. A reminder that the center is available to rent. For inquiries please contact either Mark at 509-990-8841 or Tim at 208-791-8131.

Mark Mustoe

Cameron Lutheran

By the time you read this the Vacation Bible School at Cameron Lutheran will just be wonderful history - in spite of the rainy and cold first couple days! But what an experience for the children who attended, and all the helpers and teachers! The Bible story all week was the basics of Joseph's incredible story. It began with how his brothers sold him out in the desert to a bunch of Egyptian traders. He ended up in Egypt, where Pharaoh, the king, soon figured out what a smart and talented young man Joseph was. He ended up saving the nation when he was able to keep the entire country fed after his careful planning for a drought that God told him was coming. Joseph was finally reunited with his family and brought all of them - his father, his eleven brothers and their families - to Egypt to live with him. Joseph united his family just as Jesus unites His family. The Monumental thing that this story taught is that God loves us, no matter WHAT! The church was decorated like the desert where Joseph began his story. The Bible stories, the videos and activities, the crafts, the games, the snacks, and the music all made this a Monumental week! Many thanks to everyone in the community who brought children and who helped in so many ways.

The summer worship schedule at Cameron began May 29, with services at 9:30 Sunday mornings. We will have an outdoor service on the lawn at the church at 10:00 Sunday, August 28, which will be followed by a potluck to which ALL are welcome - bring a lawn chair if you have one, and come join us! Our switch back to the regular fall and winter worship time of 10:00 a.m. will begin that day (Aug. 28.) Sunday School classes will begin in September, so stay tuned for dates and times.

Pastor Craig Groseclose will be on a sabbatical leave this summer. Should a pastoral emergency arise the rest of June or the month of July, contact Pastor Ole Gundersen at (208) 746-5234 or (509) 758-7751. Pastor Randall Nicolai will be covering pastoral emergencies in August and September. He can be reached at (509) 432-4404 or (208) 882-3915. Pastor Craig will be back in the office on September 15. *Anne Taylor*

The Reflection World

School is out, the first warm and bright days of summer have arrived, and you are looking for a good book to enjoy some vacation reading & relaxation....

Local resident and author, Aiden Cain, has written & published a new book titled *The Reflection World* that is a must read for fans of science fiction & fantasy!

As a young child, Aiden was a storyteller who enjoyed entertaining his family and friends with his creative thoughts. By the age of 10, he was writing full stories with developed characters and plots. Now, as he is about to turn 15, Aiden has written and published a new novel which he intends to make part of a trilogy entitled *The Reflection World*.

This Kendrick High schooler (he will start 9th grade this fall) is passionate about his writing! With constant support and motivation from his parents, Ken & Jackie, his first novel is available at the Juliaetta library or can be purchased in the Amazon books section.

Aiden's other interests include fishing and hiking, astronomy, learning how to draw pictures for comic books (could this be a possible future project as well?), and computer programming.

Aiden's future plans include more writing, and he has a goal of attending college at the University of Idaho.

From *Star Wars* to *Harry Potter*, Aiden has always been drawn to stories that are interconnected and can take the reader through new worlds and ideas. An excerpt from his book is as follows:

"When the mysterious device known as the inverter lands on a primitive, low-tech world called Earth, a great force of darkness converges upon the planet. Young Willis Turner, the new Wielder of the Inverter, is forced to face this darkness alongside the alien warrior Ansharkia of Arvarkia. With the power to travel between this dimension and one that is a reflection of our own, Will finds himself at the center of a war for the very fate of life itself, in the Reflection World...."

North Central Idaho Osprey Project

Ospreys are fatally attracted to baling twine. As they have recently returned from their 1,000-mile migrations and are setting about their "nestorations," watch for them. Most nests contain twine, which you may notice as you observe them along the rivers in our area. Sadly, an estimated 5-10% of Ospreys are killed by twine, typically by becoming entangled in it. After years of being bothered by this, I decided to do something about it. I've located a recycler who will take the twine and make something useful from it. I just need to collect it and transport it to them. If you are an end-user, or know someone who is, I'm interested in partnering with you.

What can you do? Contact me to discuss how I can best "help you help me." All that is really needed on your end is desire to participate and a secure container in which to store clean, used baling twine. The recycler cannot take twine that is muddy or otherwise dirty. We can work together to arrange how best to get it into my hands, so I can take it off your hands. I know there are many ranchers and animal owners who use a lot of this product and don't like to deal with disposing of it. I'm willing to help! I just need to know who and where you are. I'm also looking for a tree service or other company that would be willing to partner with me by donating time with a bucket truck that can reach the nests.

Please spread the word! We have such a wonderful community that getting the word out is essential. I am in the infancy stages of this project and it's a bit overwhelming, to say the least. See below for my contact information. I don't have a means by which to collect monetary donations and do not have an official non-profit status that allows donations to be tax-deductible, but I do anticipate expenditures (fuel, tote bags, containers, bucket trucks rentals, etc.) and am happy to discuss donations if there is interest.

Shelly Dunn 208.791.5222

nciospreyproject@gmail.com

Facebook: North Central Idaho Osprey Project

Right: chick that fell from a nest, possibly because of entanglement.
Left: twine under a nest.

Library News

It's the middle of summer and we have lots of things for you to do at the Juliaetta Library! Our summer reading program is in full swing, but you still have time to sign up and it is available for children and adults. All events are open to the public and will last all day.

July 7- Button making

July 14- Laminated book marks

July 21- Chalk the Walk

July 28- Prize drawing

Aug 4- STEM program button making 2.0

Aug 11- Origami for all ages (take home kit)

Aug 18- STEM laminated bookmarks 2.0

Aug 25- STEM ice cream in a bag party

Don't forget that we have air conditioning, books, movies, FREE internet, magazines, graphic novels, comics, and so much more.

For more information about the library and any events call 208-276-7071 or email juliaetta@latahlibrary.org

Erin Davis

From the Senior Center

We at the Senior Center are on a continual quest to update and improve the hall. This month we took down the 1950s drapes and replaced them with light filtering pull-down shades. It is a very nice improvement.

We were awarded a \$9000.00 grant from the Lewis-Clark Valley Healthcare Foundation to improve the handicapped approach at the Senior Center. This will enhance safety to our handicapped patrons and make a smoother approach to the hall. *Sharon Harris*

Cuevas Winegeart, volunteer at the center, makes the final adjustments after installing the new shades.

Kendrick/Juliaetta Fire News

With our rainy weather, we must still be aware that there is no burning in the city of Kendrick during the statewide dates of May 10-October 20th of brush or yard waste. In the city of Juliaetta you may be able to obtain a permit during these dates. Contact city hall for more information.

Have a safe Holiday Weekend!

[This Photo](#) by

Thanks to All

If you are one of those wonderful people who come out each year to help the Lions Club with the festival, "Thank you from the bottom of our hearts."

Our club is small, and it means so much to have help with all the preparation. Many of you come out to help trim the meat on Friday. That is a tremendous help. Being on hand to help prepare and serve the food is also very much appreciated. If you are interested in donating some time next year, please reach out to a Lions Club member.

We had a couple of disasters in the cook shack this year. The aged water heater gave up and had to be replaced. There was a fire on the roof caused by a short in the mast service to the building, which was quickly extinguished. Our thanks to Matt Anderson from Avista for his prompt service call to repair the damage, even though it was on the night of his son's graduation. The only true disaster of the day was that two of our Grand Marshalls became ill and were unable to attend the festival. So sorry, Theo and Ray Dygert.

Jim and Renee Peavey came early and helped with many chores and even judged the entries in the parade.

BBQ Beef and the trimmings is always popular, and the club served a record amount of people this year. Many people waited around to purchase the extra meat.

Our thanks to Wendy Park's Quilt Club for their display in the Gazebo.

We had seventeen people participate in the Fun Run. Steve and Beth Caskey come from Morton, Washington every year and they bring the medallions with them. Steve has participated in every run since its inception. Pictured below are Josiah Anderson, who won the men's competition with his time of 26:09 and Andrea Chamberlain who won the women's competition with a time of 29:32. *Sharon Harris*

“Here’s What’s Happening” — KJ7 Community Newsletter

Important Information for Our Readers

Here’s What’s Happening!

We’re excited to begin another year of publishing “Here’s What’s Happening,” our KJ7 community newsletter, which is mailed free of charge to 1,100 households in the KJ7 area, and more than 60 beyond it. This page describes the nuts and bolts of our operation. We aim to keep the newsletter relevant to the community, and make sure it serves everyone’s needs.

Financial Support — We Need It!

The costs of newsletter production and mailing are supported entirely by local donors and advertisers. If you would like to help defray our expenses, please write a check in any amount payable to KJ7 Newsletter, and let us know how your name should be listed on our Supporters page. Please mail your contribution to:

KJ7 Community Development Association
PO Box 204
Kendrick, ID 83537

Our Mailing List — Still Growing...

We encourage our readers to send us names of people who don’t yet receive the newsletter, but might like to join our mailing list. Please contact us at kj7newsletter3@gmail.com.

Digital: Readers can request that a digital version be sent to their email address. Details can also be found on our website at kendrick-juliaetta.com.

Postal Mail: If you know of someone outside the KJ7 area who would like to receive a hard copy, we can add them to our postal mailing list.

Writers Always Welcome!

We are always looking for writers who want to share news and stories about what’s happening in the KJ7 area. Please note the following guidelines.

1. Submission deadlines:
January/February Issue: December 15th
March/April Issue: February 15th
May/June Issue: April 15th
July/August Issue: June 15th
September/October Issue: August 15th
November/December Issue: October 15th
2. Submissions can be sent by email to: kj7newsletter3@gmail.com
3. The recommended maximum word count is 400.
4. We recommend only 1 photo per story.

New Content? We want your ideas!

We would love to continue building and diversifying our content, and we encourage contributions from:

- Elected officials serving our local community (City Councils, School Board, Recreation District, etc.)
- District schools and local community organizations
- Local businesses with information to share about special events
- Community members with stories to share about people currently serving in the armed forces.

If you know of ways we can promote these goals, or if you have suggestions of other topics or themes we could feature, please let us know!

Advertising Space Available!

We have one advertising space open (2.5” X 7”), because *Gritman Medical Center: Kendrick Family Care* and *North Central Idaho Properties* now support the newsletter with year-round advertising. If your business would be interested in advertising in the available space, please contact us at: kj7newsletter3@gmail.com

Thank you for all you do!!!

We want to thank our readers and contributors for all the support provided, and for the parts so many of you play in maintaining this vital communication link for our community. We truly couldn’t do any of it without you.

Seeing Patients in Kendrick

Sarah Aurich is passionate about care across your lifespan—performing child wellness exams and sports physicals, as well as preventative treatment or care for chronic conditions.

A Family Nurse Practitioner, she treats patients at Gritman’s Kendrick Family Medicine clinic, 606 E. Main St., Kendrick. Call **208-289-3841** to make an appointment.

Healing begins **close to home.**
