Community Organization Contact Guide

2024

The communities of Juliaetta and Kendrick have a large representation of many clubs, organizations, and committees of people who volunteer their time and talents to meet the needs of our communities.

We are happy to list so many organizations in our small rural towns. Juliaetta and Kendrick can be proud of each group for their active participation in various projects which encourage and sustain our unique community spirit.

While some groups are service oriented, and others have a specific interest, their productive efforts are the result of many volunteer hours.

We celebrate each organization.

This "Community Organization List" is maintained, paid for, and distributed by Kendrick Juliaetta and the 7 Ridges Community Development Association (KJ7CDA) and is updated annually. If you have an organization or church that you would like listed or an update to an existing listing please e-mail: info@kendrick-juliaetta.com
