FREE | FAST | SECURE

OR VISIT:

latahcountyalerts.genasys.com

Registration takes only a few minutes and helps ensure you receive important emergency information when it matters most.

WHY REGISTER?

Many local emergencies do not qualify for Wireless Emergency Alerts (WEA) or Emergency Alert Systems (EAS) broadcasts.

By registering, you can receive important notifications directly from Latah County about incidents affecting your specific area.

WHAT WILL ALERTS LOOK LIKE?

To help ensure you recognize official Latah County emergency notifications:

PHONE CALLS

Emergency phone calls will appear from:

(208) 285-4582

EMAIL MESSAGES

Email notifications will be sent from:

Latah County Alerts
noreply@genasys.com

TEXT MESSAGES

Text alerts will come from:

Sender ID: 65513

We recommend saving these contact details and adding them to your safe sender list so emergency notifications are not missed.

GET ALERTS ON THE GO!

Download the Genasys Protect™ App to receive location-based alerts while traveling and manage your locations from one account.

⚠️ DON'T WAIT FOR AN EMERGENCY. REGISTER TODAY.

From Genesee to Potlatch, Troy to Deary,
and throughout rural Latah County
